## WHAT IS GRIEF AND BEREAVEMENT?

Grief is a natural way we learn to live without someone we cared about after their death.

Bereavement is a period of grief after the death or family member or friend.

## Self-Help Books on Grief and Loss

### Healing After Loss: Daily Meditations for Working Through Grief.

Martha W. Hickman (2011).

This book includes a series of small quotes and meditation exercises that can be used every day to cope with grief related to emotions. It is written by a grief survivor. It is also available in audio form.

### How to Go on Living When Someone You Love Dies.

Therese A. Rando (1991).

This book is written by a psychologist who has counselled many adults through grief. The book provides tips for finding effective professional and self-help support and for coping with grief.

### Understanding Your Grief: Ten Essential Touchstones for Finding Hope and Healing Your Heart.

Alan D. Wolfelt (2003).

This book is written by a grief counsellor. The book is designed to be read in short segments with each page or two offering a thought-provoking idea, question or exercise to consider.

### Healing A Spouses Grieving Heart: 100 Practical ideas after your husband or wife dies.

Alan D. Wolfelt, Ft. Colling, CO: Companion Press.

This book is specifically geared towards dealing with the loss of a spouse in older age. Simple and brief tips on how to move through your grief are offered.

### Life After Loss.

Diets, B (1992).

This book offers some practical information including helpful things to do and eat when grieving the death of a family member or friend.

### Good Grief.

Granger Westberg (2010).

This book identifies the emotional and physical reactions you might experience at different stages of grief.
